

- Economic Code of Ukraine;
- Other legislative and regulatory acts of Ukraine.

4. Financial and economic grounding

"Energy Platform of Ukraine" is a voluntary association of undertakings concerned (possibly - state participation), which is established on the basis of the Law of Ukraine of 17.09.2008 № 514-VI «On Joint Stock Companies" in the form of a Public Joint Stock Company. The minimum share capital is 1,250 minimum salaries, or 1.523 million USD.

5. Corruption prevention

The draft concept has no provisions and procedures, which could contain risks of corruption offenses.

6. Public discussion

The draft concept does not require public consultation.

7. Forecast of the results

- The investment climate of the state improves;
- Coordination of the work, transparency of the use of investments, liability and guarantees of the return on investment increase;
- The development of alternative fuels and renewable energy resources is stimulated;
- Liquid market evolves.
